**INFORMATION
CIRCULAR**

NO: 9701

Date of first Review: 1st Jan. 1997

SUBJECT: DETAILED LIST OF ITEMS EXEMPTED FROM VALUE ADDED TAX (VAT)

Date of First Review: 1ST JAN. 1997

This Circular updates the earlier FIRS Information Circular No. 9401 of 1st March 1994

Introduction:

As part of the enlightenment campaign to keep educating members of the public on their rights and obligations under the Value Added Tax Act Cap V1 LFN 2004 (as amended), Federal Inland Revenue Service has carried out a comprehensive review of the existing list of goods and services exempted from VAT. The review has become necessary partly because of the problems being experienced by importers of goods at the ports as well as the urgent need to bring together all the budget pronouncements made by government as they affect VAT since the commencement of the scheme in 1994.

For the avoidance of doubt, all collection agencies are advised to restrict themselves to this amended list of exempted items. Consequently, no request for special concession or exemption will be entertained by the FIRS henceforth. It is however envisaged that the list will continue to be subjected to periodic review in line with the existing government budget pronouncements.

In view of the above, all registered persons are enjoined to display this new list conspicuously in their places of business to educate their customers. All items not included in this published list are vatatable at the standard rate of 5%, except in the case of exports where the rate is 0%.
